

Sins Cleanup Sheet

This is the instruction sheet for the prayer minister who is helping the client or the client by himself going through either the sins sheet or the occult sheet.

If you have days:

1. Have the client read through the sheet, circling everything that they have been involved in. Keep an ear out for other things that are occult but are not on the sheet.
2. go through the following steps for each of the items circled
 - a. The client says: "I confess _____ as sin."
 - b. The client renounces:
 - i. "I renounce _____ and all of the effects that it has had on my body, my mind, my soul, and my spirit. I renounce all the effects that (it) has had on my will, relationships with other people, with myself and you, God. Deliver me from every curse of it, every indulgence in thinking about it and every demon spirit behind it. I declare that (it) will have no more place in me nor any more power over me by the Power of the Blood of Jesus."
 - c. The client prays for healing:
 - i. "Thank you, Jesus, for setting me free from its power. Now, fill me with Your Holy Spirit in all of the places that (it) has been occupying in my life, my emotions and my being. Father, heal me from the destruction (it) has caused to my flesh, soul, spirit and relationships. Bring me to holiness in all those areas." "Amen."
3. At the end, pray for the client to be cut free from all the negativity they have faced.

If you have an hour:
