The Gifts, Ministries and Authority of the Holy Spirit

PREFACE

Through the millennia Christ's church has been greatly modified. The supernatural aspects have been suppressed. An artificial hierarchy has been imposed on it. Even the Bible was suppressed for a while. True Christian fellowship was banned. Satan has ran the church since around 300 A. D.

Today's Christians don't even know what it was like in the early church. Jesus was the head of the house churches as He spoke through the Christians who could receive immediate guidance from Him. Primarily, prophets acted as ambassadors for Christ. Casting out demons was something everyone did. The charismata were used regularly. Those that didn't have them prayed earnestly for them. Blessed oil was the #1 ingredient in the medicine chest. As they were in the presence of God Almighty daily in the house churches, they grew mighty in faith, hope and love. The Bible portions already existed and were common.

Should we pray for gifts of the Holy Spirit from God the Father? Satan says "no." After all, the lack of gifts leaves the Christians vulnerable to lies, without divine guidance and without signs & wonders. Jesus says "yes." In Luke 11:13, Jesus said, "If you then who are evil, know how to give good gifts to your children, how much more will your heavenly Father give the Holy Spirit to those who ask him!" Jesus taught us through the Lord's Prayer to ask for a gift of daily bread so asking is okay.

Who has the authority to cast out demons? Only Christians. Every Christian. At salvation we are indwelt by the Holy Spirit who has authority over all demons & angels. Whatsoever you (Christians) bind on earth shall have been bound in heaven (by God). We have power of attorney over demons! Demons may be reluctant to go, as in the case of the Gadarene demoniac, but inevitably they must go.

In Acts 19:13, the seven sons of Sceva were practicing "exorcism" (*Exorcisto*) with demons. That Greek word means, "to bind away with vows." The best any non-Christian can do is negotiate with demons. But Satan won't cast out Satan. These exorcists could only add demons to the sufferer on an agreement to give him some relief.

God also wants us to walk in faith, hope and love. That is more important than all these gifts, ministries and authority. But we need the gifts, ministries and authority in order to walk in faith, hope and love!

5 The Study of Our Authority

A OUR CONFERRED AUTHORITY OVER DEMONS

I Definition: "The conferred divine authority that God gives all Christians to cast out demons or evil spirits through the Holy Spirit who indwells us."

a Greek words used:

- i "ekballo" means "casting out." It is the only word that is used for what Christians did to demons. Sometimes today Christians say "deliverance" instead. "Banishing evil influences" has the same effect.
- ii "exorcisto" means "to force to an oath." It was only used once in Acts 19:13 and referred to unbelievers who tried to use incantations against demons. When these unbelievers tried "ekballo" instead they were injured by the demonized client. However, the Roman Catholic church uses the word, "exorcism" when they practically mean "cast out."

b Examples:

- i Jesus gave His apostles the power to expel demons: Mark 3:14-15; Mark 6:13
- ii The ministry was exercised in the earliest days of the church: Acts 15:16; Acts 16:16-18
- iii Casting out demons was a prominent ministry in the early centuries of the church. "Many of our Christian men have cast out (in the name of Jesus Christ who was crucified under Pontius Pilate) numberless demoniacs throughout the whole world, and in your city. When all other exorcists and specialists in incantations and drugs have failed, they have healed them and still do heal, rendering the demons impotent and driving them out." -- Justin (A.D. 150) Apology

c Precautions:

- i A fascination in demons and demonic things is probably inspired by demons!
- ii Casting out demons is futile if there are permissions for demons to return because of sin.
- iii Avoid attributing mental illness, disease or poisoning to demonic possession.
- iv Assuming that demons and the devil don't exist.
- v After ministering, do a deliverance for yourself for any demons that you might have caught.
- vi It might not be the person who is demonized but their properties, environments and families.
